

GENERAL TERMS AND CONDITIONS FOR THE PURCHASE OF GOODS AND SERVICES

1. Applicability.

(a) These terms and conditions of purchase (these "**Terms**") are the only terms which govern the purchase of the goods ("**Goods**") and services ("**Services**") by Olink Proteomics AB and its affiliates (together the "**Buyer**") from the seller named on the Purchase Order ("**Seller**"). Notwithstanding anything herein to the contrary, if a written contract signed by both parties is in existence covering the sale of the Goods and Services covered hereby, the terms and conditions of said contract shall prevail to the extent they are inconsistent with these Terms.

(b) The accompanying purchase order, by reference or otherwise, (the "**Purchase Order**") and these Terms (collectively, this "**Agreement**") comprise the entire agreement between the parties, and supersede all prior or contemporaneous understandings, agreements, negotiations, representations and warranties, and communications, both written and oral. These Terms prevail over any of Seller's general terms and conditions of sale regardless whether or when Seller has submitted its sales confirmation or such terms unless otherwise explicitly agreed in writing by the Buyer. This Agreement expressly limits Seller's acceptance to the terms of this Agreement. Fulfillment of this Purchase Order constitutes acceptance of these Terms. Buyer's payment of any amount due regarding the Purchase Order is subject to the applicability of these Terms.

2. Delivery of Goods and Performance of Services.

(a) Seller shall deliver the Goods in the quantities and on the date(s) specified in the Purchase Order or as otherwise agreed in writing by the parties (the "**Delivery Date**"). If no delivery date is specified, Seller shall deliver the Goods within 10 days of Seller's receipt of the Purchase Order. If Seller fails to deliver the Goods in full on the Delivery Date, Buyer may terminate this Agreement immediately by providing written notice to Seller and Seller shall indemnify Buyer against any losses, claims, damages, and reasonable costs and expenses directly attributable to Seller's failure to deliver the Goods on the Delivery Date.

(b) Seller shall deliver all Goods to the address specified in the Purchase Order (the "**Delivery Point**") during Buyer's normal business hours or as otherwise instructed by Buyer. Seller shall pack all goods for shipment according to Buyer's instructions or, if there are no instructions, in a manner sufficient to ensure that the Goods are delivered in undamaged condition. Seller must provide Buyer prior written notice if it requires Buyer to return any packaging material. Any return of such packaging material shall be made at Seller's risk of loss and expense.

(c) Seller shall provide the Services to Buyer as described and in accordance with the schedule set forth on the reverse

side of these Terms and in accordance with the terms and conditions set forth in these Terms.

(d) Seller acknowledges that time is of the essence with respect to Seller's obligations hereunder and the timely delivery of the Goods and/or Services, including all performance dates, timetables, project milestones and other requirements in this Agreement.

(e) Seller acknowledges and agrees that the Goods, and any results arising out of the Services may be used by Buyer in its further manufacturing of products, or provision of services, as applicable, and commercialization of products and services for any purposes, including without limitation research and diagnostic purposes, and Seller hereby grant to the Buyer a non-limited, world-wide, non-exclusive, fully paid-up, royalty free, perpetual, non-terminable, transferable and sub-licensable license to the Goods, the results of Services, and any Intellectual Property Rights inherent therein, necessary for the Buyer to use the Goods and results from Services intended in this Section. Seller further acknowledges and agrees that Buyer may rely on and reference Goods and Services as well as Seller information in any required regulatory submissions for authorization by a government authority, including but not limited to the U.S. Food and Drug Administration ("**FDA**"), that may be required for manufacturing and commercialization of the products.

"**Intellectual Property Rights**" means all intellectual property rights wherever in the world, whether registrable or unregistrable, registered or unregistered, including any application or right of application for such rights (and such rights include copyright and related rights, software, source codes, object code, neighbouring rights, database rights, confidential information, trade secrets, know-how, business names, trade names, trademarks, service marks, passing off rights, unfair competition rights, patents, petty patents, utility models, and rights in designs).

3. Quantity. If Seller delivers more or less than the quantity of Goods ordered, Buyer may reject all or any excess Goods. Any such rejected Goods shall be returned to Seller at Seller's sole risk and expense. If Buyer does not reject the Goods and instead accepts the delivery of Goods at the increased or reduced quantity, the Price for the Goods shall be adjusted on a pro-rata basis.

4. Shipping Terms. Delivery shall be made DDP (Incoterms 2020) Delivery Point. The Purchase Order number must appear on all shipping documents, shipping labels, invoices, correspondence and any other documents pertaining to the Purchase Order.

5. Title and Risk of Loss. Title and risk of loss passes to Buyer upon delivery of the Goods at the Delivery Point.

6. Inspection and Rejection of Nonconforming Goods. Buyer has the right to inspect the Goods on or after the Delivery Date. Buyer, at its sole option, may inspect all or a sample

of the Goods, and may reject all or any portion of the Goods if it determines the Goods are nonconforming or defective. If Buyer rejects any portion of the Goods, Buyer has the right, effective upon written notice to Seller, to: (a) rescind this Agreement in its entirety; (b) accept the Goods at a reasonably reduced price; or (c) reject the Goods and require replacement of the rejected Goods. If Buyer requires replacement of the Goods, Seller shall, at its expense, within 30 days replace the nonconforming or defective Goods and pay for all related expenses, including, but not limited to, transportation charges for the return of the defective goods and the delivery of replacement Goods. If Seller fails to timely deliver replacement Goods, Buyer may replace them with goods from a third party and charge Seller the cost thereof and terminate this Agreement for cause pursuant to Section 18. Any inspection or other action by Buyer under this Section shall not reduce or otherwise affect Seller's obligations under the Agreement, and Buyer shall have the right to conduct further inspections after Seller has carried out its remedial actions.

7. Price. The price of the Goods and Services is the price stated in the Purchase Order (the "**Price**"). If no price is included in the Purchase Order, the Price shall be the price set out in Seller's published price list in force as of the date of the Purchase Order. Unless otherwise specified in the Purchase Order, the Price includes all packaging, transportation costs to the Delivery Point, insurance, customs duties, and fees and applicable taxes, including, but not limited to, all sales, use or excise taxes. No increase in the Price is effective, whether due to increased material, labor or transportation costs or otherwise, without the prior written consent of Buyer.

8. Payment Terms. Seller shall issue an invoice to Buyer on or any time after the completion of delivery and only in accordance with these Terms as an e-invoice or as a PDF document sent to ap@olink.com. Buyer shall pay all properly invoiced amounts due to Seller within 30 days after Buyer's receipt of such invoice, except for any amounts disputed by Buyer in good faith. Without prejudice to any other right or remedy it may have, Buyer reserves the right to set off at any time any amount owing to it by Seller against any amount payable by Buyer to Seller.

9. Seller's Obligations Regarding Services. Seller shall:

- (a) before the date on which the Services are to start, obtain, and at all times during the term of this Agreement, maintain, all necessary licenses and consents and comply with all relevant laws applicable to the provision of the Services;
- (b) comply with all rules, regulations and policies of Buyer, including but not limited to security procedures concerning systems and data and remote access thereto, building security procedures and general health and safety practices and procedures;

(c) maintain complete and accurate records relating to the provision of the Services under this Agreement, including records of the time spent and materials used by Seller in providing the Services in such form as Buyer shall approve. During the term of this Agreement and for a period of two years thereafter, upon Buyer's written request, Seller shall allow Buyer to inspect and make copies of such records and interview Seller personnel in connection with the provision of the Services;

(d) obtain Buyer's written consent, which shall not be unreasonably withheld or delayed, prior to entering into agreements with or otherwise engaging any person or entity, including all subcontractors and affiliates of Seller, other than Seller's employees, to provide any Services to Buyer (each such approved subcontractor or other third party, a "**Permitted Subcontractor**"). Buyer's approval shall not relieve Seller of its obligations under the Agreement, and Seller shall remain fully responsible for the performance of each such Permitted Subcontractor and its employees and for their compliance with all of the terms and conditions of this Agreement as if they were Seller's own employees. Nothing contained in this Agreement shall create any contractual relationship between Buyer and any Seller subcontractor or supplier;

(e) require each Permitted Subcontractor to be bound in writing by the confidentiality provisions of this Agreement, and, upon Buyer's written request, to enter into a non-disclosure or intellectual property assignment or license agreement in a form that is reasonably satisfactory to Buyer;

(f) ensure that all persons, whether employees, agents, subcontractors, or anyone acting for or on behalf of the Seller, are properly licensed, certified or accredited as required by applicable law and are suitably skilled, experienced and qualified to perform the Services;

(g) ensure that all of its equipment used in the provision of the Services is in good working order and suitable for the purposes for which it is used, and conforms to all relevant legal standards and standards specified by the Buyer; and

(h) keep and maintain any Buyer equipment in its possession in good working order and shall not dispose of or use such equipment other than in accordance with the Buyer's written instructions or authorization.

10. Change Orders. Buyer may at any time, by written instructions and/or drawings issued to Seller (each a "**Change Order**"), order changes to the Services. Seller shall within 10 days of receipt of a Change Order submit to Buyer a firm cost proposal for the Change Order. If Buyer accepts such cost proposal, Seller shall proceed with the changed services subject to the cost proposal and the terms and conditions of this Agreement. Seller acknowledges that a Change Order may or may not entitle Seller to an adjustment in the Seller's compensation or the performance deadlines under this Agreement.

11. Warranties.

- (a) Seller warrants to Buyer that for a period of 12 months from the Delivery Date, all Goods will:
- (i) be free from any defects in workmanship, material and design;

 - (iv) be merchantable;
 - (v) be free and clear of all liens, security interests or other encumbrances; and
 - (vi) not infringe or misappropriate any third party's patent or other Intellectual Property Rights.

These warranties survive any delivery, inspection, acceptance or payment of or for the Goods by Buyer;

- (b) Seller represents and warrants to Buyer that Seller is entitled to perform Services and supply Goods in accordance with all applicable laws as further described in Section 16. Seller further represents that it, its personnel, and any of its contractors, have not been subject to debarment taken by a governmental authority, including but not limited to the U.S. FDA, pertaining to the Goods and Services.
- (c) Seller warrants to Buyer that it shall perform the Services using personnel of required skill, experience and qualifications and in a professional and workmanlike manner in accordance with generally recognized industry standards for similar services and shall devote adequate resources to meet its obligations under this Agreement; and
- (d) The warranties set forth in this Section 11 are cumulative and in addition to any other warranty provided by law or equity. Any applicable statute of limitations runs from the date of Buyer's discovery of the noncompliance of the Goods or Services with the foregoing warranties. If Buyer gives Seller notice of noncompliance pursuant to this Section, Seller shall, at its own cost and expense, within 30 days (i) replace or repair the defective or nonconforming Goods and pay for all related expenses, including, but not limited to, transportation charges for the return of the defective or nonconforming goods to Seller and the delivery of repaired or replacement Goods to Buyer, and, if applicable, (ii) repair or re-perform the applicable Services.

12. General Indemnification. Seller shall defend, indemnify and hold harmless Buyer and Buyer's parent company, their subsidiaries, affiliates, successors or assigns and their respective directors, officers, shareholders and employees (collectively, "**Indemnitees**") against any and all loss, injury, death, damage, liability, claim, deficiency, action, judgment, interest, award, penalty, fine, cost or expense, including reasonable attorney and professional fees and costs, and the cost of enforcing any right to indemnification hereunder and the cost of pursuing any insurance providers (collectively, "**Losses**") arising out of or occurring in

connection with the Goods and Services purchased from Seller or Seller's negligence, willful misconduct or breach of the Terms. Seller shall not enter into any settlement without Buyer's prior written consent.

13. Intellectual Property Indemnification. Seller shall, at its expense, defend, indemnify and hold harmless Buyer and any Indemnitee against any and all Losses arising out of or in connection with any claim that Buyer's or Indemnitee's use or possession of the Goods or use of the Services infringes or misappropriates the patent, copyright, trade secret or other Intellectual Property Right of any third party. In no event shall Seller enter into any settlement without Buyer's or Indemnitee's prior written consent.

14. Limitation of Liability. Nothing in this Agreement shall exclude or limit (a) Seller's liability under Sections 2, 9, 11, 12 and 13 hereof, or (b) Seller's liability for fraud, personal injury or death caused by its negligence or willful misconduct.

15. Insurance. During the term of this Agreement, Seller shall, at its own expense, maintain and carry insurance in full force and effect which includes, but is not limited to, commercial general liability (including product liability) in a sum no less than \$1,000,000 with financially sound and reputable insurers. Upon Buyer's request, Seller shall provide Buyer with a certificate of insurance from Seller's insurer evidencing the insurance coverage specified in these Terms. Seller shall provide Buyer with 30 days' advance written notice in the event of a cancellation or material change in Seller's insurance policy. Except where prohibited by law, Seller shall require its insurer to waive all rights of subrogation against Seller's insurers and Seller.
